Here we are in beautiful, elegant San Antonio having a lovely vacation with Hoel, June's Hoelle - We had a very bumpy flight - our plane was 2 hours late! It would happen to me - Hoel took us one day to the Fisher Ranch in East Texas to see the oil-drilling rig his company had set up. It was fascinating - Yesterday we had a Marvelous Christmas dinner at Hoel's - June also had Jamey - Courtney's family, too. Tomorrow we fly home! Happy New Year - Mary & George
